Changes in the Agenda are detailed on the 2nd page.

Please note that the following changes has been made compared to the Agenda sent out to the membership on November 10. These changes were approved by the AmCham Board.

1. There will be no voting on the Election of the Vote Counting Committee.
As there will be a voting platform, votes will be counted by the platform, so there is no need to have a Vote Counting Committee on site. The AmCham Board and the Elections Committee has agreed to use the Bigpulse safe voting platform for the secret voting.
2. Agenda points “Report on the activities of the year from December 2019 to November 2020” and “Presentation of the 2021 AmCham Annual Plan” have been moved from 09:15 to after the election procedure.
3. Agenda point “Presentation of the Dr. Iván Völgyes Award” will not be held at this Assembly but will be postponed to next year to a live event.
4. Agenda point “Report of the AmCham Foundation (ACF)” will be cancelled, information on the activities of the ACF will be detailed in AmCham’s Annual Report.
